The occupant is responsible for ascertaining the delegations that are assigned to these duties and is expected to exercise any applicable delegations prudently and in accordance with any specified limitations.

The department has a range of delegations in operational areas including Finance, Human Resources and Facilities. The occupant is responsible for ascertaining the delegations that are assigned to these duties and is expected to exercise any applicable delegations prudently and in accordance with any specified limitations.

Primary Duties

1. Work with schools/colleges to improve, inform and maintain a health promoting culture and improve the health and wellbeing of students and families.
2. Undertake nursing practices including clinical assessment, early detection and intervention, screening, health education/information, short term support and appropriate referral ensuring a student and family-friendly client-centred approach to service delivery.
3. Develop, implement and evaluate health promotion projects with small groups, year levels, schools/colleges and communities.
4. Work effectively within a multidisciplinary environment collaborating with both internal and external service providers and school/college staff and actively contribute to internal communication processes including attending and participating in team meetings.
5. Active involvement in maintain and continually improving the quality of service provision which may involve participation in research projects, quality improvement initiatives and innovations in evidence based practice. Maintain a high standard of documentation and data collection.
6. Maintain knowledge of innovations in clinical practice and research, and maintain and develop professional knowledge and skills through participation in continuing professional development programs and annual training requirements as prescribed by the manager.
7. Actively participate in and contribute to the organisation's Quality & Safety and Work, Health & Safety processes and adhere to relevant legislation, policies and procedures.
8. Perform other duties as envisaged by the assigned classification under the relevant industrial award or agreement and in accordance with the skills, competence and training of the occupant.

Selection Criteria

Employment in the State Service is governed by the *State Service Act 2000* and employment decisions must be based on merit. A decision relating to appointment or promotion is based on merit if:

- an assessment is made of the relative suitability of the candidates for the duties; and
- the assessment is based on the relationship between the candidates' work-related qualities and the work related qualities genuinely required for the performance of the duties; and
- the assessment focuses on the relative capacity of the candidates to achieve outcomes related to the duties; and
- the assessment is the primary consideration in making the decision.

Work-related qualities might include; skills and abilities; qualifications, training and competencies; standard of work performance; capacity to produce required outcomes; relevant personal qualities; and demonstrated potential for future development.

The following specific selection criteria must be addressed by candidates in this context. The nominated position objective and duties contained in this statement of duties must also be used to assist in the interpretation of these selection criteria.

1. Demonstrated knowledge and skill relevant to the nursing target area including competence in assessment skills, counselling skills, group facilitation and presentation skills.

2. Ability to plan, implement and evaluate health promotion projects.
3. Current and comprehensive knowledge and the ability to apply primary health care principles, legal requirements and harm minimisation approaches relevant to the practice setting.
4. Contemporary knowledge of child and youth health issues including sexual health, mental health, alcohol and other drugs, sexuality and gender diversity, nutrition and physical activity, and of child development priorities including nutrition and physical activity, mental health and screening priorities.
5. Knowledge of and commitment to continuous quality improvement and evidence-based practice.
6. Effective communication and interpersonal skills, including skills relating to working within a multidisciplinary team, and demonstrated competence in problem solving and decision making.
7. Assess the holistic health needs of clients and community groups.

Requirements

- Essential**
- Registration with the Nursing and Midwifery Board of Australia.
 - The *Registration to Work with Vulnerable People Act 2013* requires persons undertaking work in a regulated activity to be registered. A regulated activity is a child related service or activity defined in the *Registration to Work with Vulnerable People Regulations 2014*. This registration must remain current and valid at all times whilst employed in this role and the status of this may be checked at any time during employment.
 - Current Tasmanian Registration to Work with Vulnerable People (Registration Status – Employment)
- Desirable**
- Current drivers licence.
 - Relevant post-graduate health qualification or other post graduate Paediatric qualification.

Working within the Department of Education

The Department is responsible for providing public education, vocational education and training, adult and community education, and library and archive services throughout Tasmania.

Our strategic focus is centered on achieving the Tasmanian Government's priorities for education, training and information services. These priorities are expressed through the goals of the *Learners First: Every Learner, Every Day* Strategic Plan, and the *Libraries Tasmania Strategy*.

Our Commitment	Working together we inspire and engage all learners to learn more everyday.
Our Values	Aspiration, Respect, Courage and Growth.
Our Goals	Access, Participation and Engagement; Early Learning; Wellbeing; Literacy and Numeracy.

Our strategies aim to transform the way Tasmanians access education, training and information services, provide a fresh and exciting approach to lifelong learning and build an education system that inspires and supports all learners to succeed as connected, resilient, creative and curious thinkers.

Information and Records Management

All employees are responsible and accountable to:

- Create records according to the business needs and business processes of their business unit or school that adequately document the business activities in which they take part.
- Register documents in an approved Business Information Management System.
- Access information for legitimate work purposes only.

All employees must not:

- Destroy delete or alter records without proper authority; or
- Remove information, documents or records from the Department without permission.

State Service Principles and Code of Conduct

Employment in the State Service is governed by the *State Service Act 2000*. All employees are responsible for ensuring that the standards of behaviour and conduct specified in the State Service Principles and Code of Conduct are adhered to. All employees are expected to act ethically and with integrity in the undertaking of their duties. Employees who breach the code of conduct may have sanctions imposed.

The State Service Principles and Code of Conduct are contained in the *State Service Act 2000* and can be found on the State Service Management Office website at

<http://www.dpac.tas.gov.au/divisions/ssmo> together with Employment Direction No. 2 *State Service Principles*. All employees must read these and ensure they understand their responsibilities.

All employees are expected to utilise information management systems in a responsible manner in line with the DoE Condition of Use policy statement located at [Department of Education: Information technology policies](#)

Work Health and Safety and Workplace Diversity

The Department is committed to high standards of performance in respect of work health and safety and managing diversity. All employees are expected to promote and uphold the principles of fair and equitable access to employment/promotion, personal development and training and the elimination of workplace harassment and discrimination.

In accordance with the *Work Health and Safety Act 2012*, all employees whilst at work are expected to participate in maintaining safe working conditions and practices and take reasonable care for their own health and safety, ensuring their actions do not adversely affect the health and safety of others. All employees are expected to comply with any reasonable instruction given by the Agency to ensure compliance with the Act and collaborate with Agency work health and safety policies, procedures and guidelines.

The Department of Education is committed to providing a safe workplace for all employees and has zero tolerance to all forms of violence.

State Government workplaces and vehicles are non smoking environments.

Category/funding/restrictions: Permanent or Fixed Term. Cost code: Specified for the School/College or Business Unit.
